Dr. Essie McKoy

Do you want to know how to create a Signature School- the highest growth school in your district? Learn the techniques to transform a school into a place where educators are passionate, students' learning increase, parents and the community are engaged, resources are plentiful, discipline improves, wrap-around services provided, and the entire school community benefits from the success! Contact Dr. Essie McKoy and she will assist you in transforming your school or district with GUARANTEED positive success indicators and results!

She provides coaching and consulting services in the following areas: Educational Administration, Elementary Administration, Middle School Administration, High School Administration, School Leadership, The Highly Impacted Student Population, Special Education, Higher Education, College Preparation, and Career-College, and Military Readiness! Her specialty areas are in Transformational Leadership, School Leadership Development and Teacher Development!

Her researched based strategies and services will allow you to gain the skills to lead effectively and create a model of excellence! You will be able to turn your challenges into opportunities, failures into successes, ensure that responsibilities are fulfilled, and enhance your capacity to lead! She will personalize plans to fit your individual needs, whether it is a small group of educators or an entire school or school district.

Dr. McKoy is the President/CEO/Founder of her own Educational Consulting Company, Dr. Essie Speaks, LLC. She is an Award-Winning educator, author, motivational speaker, coach, co-host with thirty years of experience in public and higher education and a Professor at George Mason University! She acquired four degrees and has attended some of the most prestigious universities in the nation, including Harvard University! In addition, she possesses several licenses, qualifications, credentials, skills, and knowledge in the field of education and has received numerous awards for her work! Furthermore, she has appeared on many national and international radio shows.

Dr. McKoy has had the opportunity to function in a variety of educational settings where she created constructive changes and took on challenges to produce positive results. Her extensive experience has been noted in the following schools: working in highly impacted schools, Federal School Improvement Grant Schools, Priority schools, Elementary and Middle Schools of Transformation, and twenty years in public-school administration. She has been recognized for her ability to align strategic and comprehensive programs, partnerships, and initiatives to produce sustainable results, thus transforming schools impacting the whole culture! Her motto is, "whole child-whole educator-whole school impact. She believes education is HARD work, but also HEART work!"

To learn more about Dr. McKoy's amazing journey or contact her for services, please visit her web site at www.dressie.speaks.com! Also, please secure a copy of her book, "The Heart of School Transformation, My Journey into Transforming Urban Schools," as well as "Coaching Champions: How to Understand the Players Before Giving The Plays, a Guide to Success and Improvement," where she is a contributing author.
